Supply of ICT equipment

Sustainable Tourism Project - Ref : 7MED19_3.1_HP_005

Co-financed by Interreg Med Programme 2014-2020 and European Regional Development Fund (ERDF)

Background

The Adriatic Ionian Euroregion (hereinafter referred as AIE) is an international association for the promotion of trans-national and inter-regional cooperation between regions and local authorities of the Adriatic and Ionian basin. The AIE is implementing the European Territorial Cooperation project called Sustainable Tourism, co-financed by Interreg MED Programme 2014-2020. The aim of the project is to support other projects financed by the cooperation Programme for creating a cluster of initiatives of the sustainable tourism sector in MED area.

In the framework of this project, the AIE needs to acquire ICT equipment for office use. The ICT equipment needed are as follows:

- No.1 Conference CAM for Personal Computer
- No.1 Monitor for Personal Computer
- No.2 Speaker for Personal Computer
- No.2 Personal Computers
- No. 1 Video Projector

The ICT equipment is necessary since the starting phase of the project life for the daily implementation and coordination meetings via teleconference. For obtaining the ICT items, the AIE - through a request for quotations - intends to select a goods supplier able to supply the equipment. To this end, by means of a market research, the AIE has identified 3 qualified suppliers for providing the ICT equipment.
